Russians Force Way Near Lemberg; Are Now Close To the Outer Defences.

CORPSES STREW GORIZIA STREETS

The Populace Has Returned, Cheering the Italians For Conquering the City.

OME, Italy, Aug. 11.—The Italians R have occupied the entranced

The Italians also have captured Rubbia and San Martino del Carso. They have reached the line of the Valme river. The Austrians have retired to the east of the town of Vallone.

The number of prisoners taken by the Italians since the fall of Gorizia now exceeds 15,000, according to the correspondent of the Tribuna on the disonzo front. Italian cavalry and cyclists are clearing the valleys of the retreating Austrians.

ONDON, Eng., Aug. 11.-With rapid strides the Russians are forcing their way along the Ducister, in Galicia, in the direction of Halicz, con-sidered one of the main outlying detences of Lemberg on the south

Gen. Letchitzky's army has already reached the Dueister to the south of Mariampol, a town only eight miles mutheast of Halles. Likewise they are pressing toward Halicz, further north, ntering the town of Monasterzyska, on the Stanislau-Buczacz raffrond, di-

rectly east of Halicz. Spreading out in fanlike formation from Gorizia, the Italians are pressing Austrians to the east and south cast along a 12 mile front. The prin-cipal thrust is apparently directed southeast toward Trieste with the probable object of forcing the Aus-trians from their salient in the bend of the Isomeo, south of Gorizia.

British pressure on the Somme Iront is being continuously exerted against the Germans in the Bazentin-Le-Petit and Pouleres regions, and Gen. Haig's forces have made additional progress north of both these places London announces.

The French in the Somme region are evidently argumenting for a new offen.

A good rain fell yesterday, apparently argumenting for a new offen.

The French in the Somme region are evidently preparing for a new offensive movement, as they are pouring a destructive fire upon the German trenches north of the river.

Gorisin's Houses Riddled.
Paris, France, Aug. 11.—Entering Gorisla by the Via Leone, the sight that meets the eye is most striking," telegraphs the Petit Parisien's correspondent on the isongo front. "It was here that a furious battle was fought for possession of the city. The houses are half destroyed by shells or riddled with bullets.

Ground Strewn With Bodles.

CZAR PRESENTS BRUSILOFF A DIAMOND STUDDED SWORD.

Petrograd, Russia, Aug. II.—The czar-has presented Gen, Brusiloff, the Rus-sian commander in the Galidan cam-paign, a diamond studded sword of honor of the Order of St. Goorge, in recognition of the Russian victories in Galicia and Volhynia.

Debris Through Flood Swept Valley.

Huntington, W. Va., Aug. 11.—Rescue Trinidad. Colo., Aug. 11.—An explo-parties proceeded far into the moun-sion of dynamite at 1 oclock this morn

washed out and the roads are blocked by slides.

Scores of men have begun cleaning up the debris to prevent an epidemic and to open the roads through the valley so that supplies can be transported to stricken towns.

I. W. Hartless, of this city, who was at Eskdale Wednesday morning, when the cloudburst swept Cabin Creek valley, is the first eye witness to reach Huntington from the flooded district. According to his story, at 8:39 oclock in the morning Cabin Creek started rising at the rate of eight feet an hour and continued until the creek reached from mountain to mountain. Houses floated down stream at the rate of one a minute. He watched almost all of Eskdale Swept away. Whole families rushed for the hilleide, he said, but some never reached suffery. One could hear women praying on all sides.

Roof of Store Blown Off; Negotiations Between Rail-Tent Houses Demolished in Arizona Settlement.

San Simon, Ariz., Aug. 11.-A small cyclone, accompanied with rain and hail, struck the Vanar ettlement in the San Simon valley, about 5 oclock in A. Knapp and G. W. W. Hanger, of the the afternoon, lifting the entire board building, carrying it 15 rods or more away and wrecking it.

The adobe walls were badly damaged The occupants were driven out into the storm

Flood Waters Rush Down.

Scores of Men Clearing Up Third Explosion of Past Few Weeks Creates Panic in Coal Camp.

Trinidad, Colo., Aug. 11.-An exploain districts today carrying relief to ing partly wrecked the house of Athousands of homeless neople in the tilo Bevacous and Frank Maria coa Cabin Creek valley which was swept miners employed at the Colorado Fuel by a flood Wednesday, causing a loss and Iron company's camp at Tabasec of more than 60 lives and property damage reaching into the millions. Progress step, tore away the front part of the was slow as many bridges have been house, shattering windows of houses in washed out and the roads are blocked the neighborhood and threw the camp

roads and Employes Appear to Be Deadlocked.

New York, Aug. 11 .- After deliberat ing the greater part of the night, com missioners Wm. A. Chambers, Martin United States board of mediation and roof off of the store and postoffice conciliation, were today no nearer a solution of the "deadlock" in the dis pute between the four railroad brothand the tent houses were demolished. Ployers than they were Thursday. The efforts of the mediators to avert a halt, due to the fact, it was reported. that the railroads refuse to grant any concessions other than arbitration, while the men persist in their firm from January 1, 1918.

A good Rain is Valley.

A good rain fell yesterday, apparently throughout the southeastern part of the San Simon vailey.

COLORADO PROGRESSIVE

STATE CHAIRMAN RESIGNS

Denver, Colo., Aug. 11.—Clarence P.
Dodge, of Colorado Springs, presented his resignation as state chairman to the state Progressive assembly here to-day. He said that having given much

Senate Finance Committee Revises House Bill; Puts Tax On Munitions.

SLICES REVENUE BY \$11,000,000

Proposed Tax To Expire Within a Year After the Close of European War.

TASHINGTON, D. C., Aug ILcommittee today agreed on an as it passed the house, whereby copper | vote of 42 to 40. will be stricken from the proposed war profits tax list and a 10 percent net profits tax imposed on manufactures of munitions of war. The elimination of copper follows protests from many sources, including chambers of commerce and other organizations in the

\$11,000,000 Less Than House Bill. being estimated at \$198,000,000 or \$13. One one less than the house bill Specific duties on munitions proposed in the house would have yielded \$72,000,000. Under the senate amendment the revenue to be derived from munitions will be only \$45,000,000.

The proposal to lery a net profit tax on profits of manufacturers of all goods sold to foreign governments, as proposed Thursday night, was rejected by the committee after a prolonged fight.

Strikes Out Copper Tax. amendment strikes out all the ions taxes contained in the house according the much protested conper tax, and provides that every corporation manufacturing gunpowder or
other explosives and all munitions of
war and articles going to make up
munitions, including motorboats and
submarines, shall pay for each taxable year a tax of ten percent upon net
profits accrued from the sale of such
goods manufactured in the United
States.

Senator Jones resumed speech in opposition to government shipping bill.

leather at the present time in all parts of the country. The result of this searcity is that a deputy of the Moscow town council has proposed that tickets on the German method for shoe material, as well as other products, should be issued at once.

The deputy's plan is that no boots or shoes should be obtainable without a ticket, and that only two pairs of shoes should be allowed for each person in the course of a year.

FRENCH GUNS SHATTER DEFENCES OF THE ENEMY

Paris. France. Aug. 11.—North of the Somme our artillery directed a destructive fire against the defences of the enemy. In the course of our operations we took prisoners and captured two machine guns in the small wood north of Hardecourt, sayse the French official statement today.

"On the left bank of the Meuse (Verdun front), we made a supprise attaction a German trench east of hill 201 and brought back prisoners. On the right bank of the river there was the usual artiflery fighting, as well as skirmishes with grenades northwest of Thisumont work. On the remainder of the front intermittent artillery fighting occurred.

"On the night of Aug. \$-10. French

On the night of Aug \$-10, French aerial squadrons bombarded the railway station and barracks at Youzierand the station at Barancourt."

TEUTON FORCES REGROUPING

Differences Regarding Committee Appear Almost at Opening of Convention.

Colorado Springs, Colo., Aug. 11,arp differences regarding the maner of selecting a resolutions commite to draft a statement of the election | Reavy demand for metals, polity of the National Woman's party leveloped at the first formal session of the national conference here today A substitute motion that the committee consist of 12 members instead of five Democrats of the senate Squance as first proposed, and that the members be selected by each state instead sendment to the national revenue bill of the national chairman, was lost by

An amendment intended as a compromise was passed, increasing the personnel of the committee to 11-one from each suffrage state represented. and the original motion was passed unanimously. Miss Anne Martin, national chairman, announced the selection of Mrs. Wm. Kent, of California, as chairman, and said the

A flurry of excitement can through A supporter of the movement to endorse
Mr. Hughes, presented the substitute
motion. Mrs. Marunet Kessler, also
of Colorado, seconded the motion.
A long delay and considerable confusion ensued white a plan for taking
a vote was reached. Efforts to decide
by a standing vote failed by a standing vote fully. a vote was reached. Efforts to decide by a standing vote failed because many spectators had been unable to find seats. After several women who, under the rules of the conference were not entitled to vote, had been so advised by the chair, the suggestion of Mrs. Robert Kerr. of Colorado, that only those with badges labeled "Voter" should decide, the motion was acted upon by a count of raised hands.

"The vote is 40 for and 41 against."
Miss Mabel Vernon, national secretary, first announced. "Oh, I forgot to vote, myself." she added hastily. "The vote is 40 for and 42 against."

M Fire, which started in the en gine room of the Ozark Smelting and Mining company yesterday, de-stroyed the entire plant. The loss is estimated at \$750,000 and

employes are made idle as a result Controls Large Mines.

The Omark company controls the out-put of several large leases in this district, including the Waldo and the It has not been decided what steps will be taken for the rebuilding of the big plant, but it generally is believed that the plant will be restored as quickly as possible, because of the

Labor Federation Says the Guards Are a Menace to Labor in State.

Tucson, Ariz, Aug. 11.-The State Federation of Labor has found something wrong in the organization of has remoived that they are a menace Phelps Buell, of Colorado, known as | bers are sworn in as deputy sheriffs |

nelly, of Morenci, trouble is imminent in the Clifton-Morenet district, where

Just a bit of politics was injet by A A Worsley, of Tucson, who nounced that he had been misre to reconsider was overruled. Mrs. Kerr, in the role of peacemaker, then submitted a motion to calarge the committee to 11, to be mamed by the chair and to consist of a member from each suffrage state represented, and it was unanimously carried.

Mrs. Bertha Fowler. Colorado chairman, in calling the conference to order, terméd president Wilson's attitude toward the movement for national suffrage as one of "cruical contempt," and political expediency. Women who endorsed the plan to secure suffrage by states, she said, were "political doormats of designing politicians".

Sential in papers that have fold he is oppositing governor Hunt. He called the atatement formatole, and told that he believes Hunt the man for labor to support. Concerning himself, he modestly observed that he had not processed himself labour's candidate for congress, but he assured his hearers that he was for labor, now and always. Congressman Carl Hayden wired from Washington asking if a congress that he was for labor, now and always. Congressman Carl Hayden wired from Washington asking if a congress that he man for labor to support. Concerning himself, he modestly observed that he had not processed himself labour's candidate for congress, but he assured his hearers that he was for labor, now and always. Congressman Carl Hayden wired from Washington asking if a congress that he man for labor to support.

Paris, France, Aug. 11.—An attack by Anglo-French forces on the Bulgarians at Doiran, 49 miles nortuwest of Salonika, is reported in a Jiavas dispatch from Salonika. The allies occupied the Boiran railway station and a neighboring hill.

Shoe Tickels is New Plan for Russians to Conserve Leather Moscow, Russia, Aug. 11.—Russia is feeling very keenly the great dearth of leather at the present time is all parts of the country.
